with two young hearts

Instead of flying off the handle!  
I hope you're happy.  
Cause for the first time in forever,  
There's a strange exhilaration,  
In such total detestation  
Cause you're gonna catch a cold,  
from the ice inside your soul.  
Don't come back for me.  
Now there's green light in your eyes  
Cry and cry and cry  
Over the love of you.  
And now you're just somebody that I used to know.  
So if you care to find me  
Dream on  
As someone told me lately, everyone deserves the chance to fly.

**(Lyrics by Christina Perry, Aladdin, Frozen, Florence and The Machine, Gotye, and Aerosmith)**

Chapter 5 by 💖Serendipity💖 - Not very active as much...sorry

I hate that I love you  
Don't want to, but I can't put  
Nobody else above you  
Written in these walls are the stories that I can't explain  
California gurls  
We're unforgettable  
Daisy dukes  
Bikinis on top  
I wish I found some better sounds no one's ever heard

Lyrics: I hate you I love you, story of my life, california gurls, stressed out
